

ACCREDITED EXERCISE PHYSIOLOGIST

AEP NEEDED TO OPTIMISE HEALTH & LIVES!

Are you looking for a supportive and driven team environment that recognises and rewards your talent? Do you see challenges as an opportunity to learn? Are you ready to develop your personal and professional skills to be a world-leading Exercise Physiologist?

THE COMPANY Bodytrack Exercise Physiology is a private Exercise Physiology clinic, with a well-established clientele and reputation at the forefront of the industry. We work with a team-first approach to provide the support that staff need to be the best people and employees they can. Our proven business model and management structures are designed to ensure all staff achieve long term success and growth as health professionals. We optimise the health, lives and performance of diverse clientele, which includes developing and elite athletes, complex and chronic conditions, and musculoskeletal rehabilitation.

Here's what our team had to say in our 2020 Team Wellbeing Survey:

- ✓ How likely you are to refer someone to work here? Average rating 100%
- ✓ How likely are you to reapply for your current position? Average rating 96%
- ✓ How happy are you at work? Average rating 100%

THE POSITION Casual, part-time and/or full-time positions are available for Accredited Exercise Physiologists to provide exceptional exercise prescription for a wide range of clients and service types. The desired candidates will exude professionalism, show genuine concern for others, is continually improving, and will always go above and beyond. The positions will suit a passionate health professional with a growth mindset who is looking for an opportunity to use their curiosity and innovation, absorb feedback, and be inspired by the success of others. An open-minded and creative approach to practice with an assertive attitude will develop your skills and see you grow into an industry leading Exercise Physiologist.

Enjoy working in private clinics, situated in state-of-the-art facilities, making use of a fully equipped gym, using the latest equipment and technology, with access to full amenities, on-site parking, and café.
